

# Alexander Propane, LLC

## **Payment Options:**

Pay as you go: Pay for your deliveries as you receive them. Prices will be at a current per gallon price. A 10 cent discount is offered when paid within 10 days.

Monthly Budget Plan: 11 equal monthly payments are based on your previous year's usage. Payments begin in July. Final balance is paid in June. If a credit remains, a refund or credit will be issued. Monthly payments can begin up to a couple months later than July when previous month payments are made up front or equal payments are spread over fewer months. This plan does not offer a fixed price per gallon.

Pre-Buy Purchase Program: In late summer we offer a fixed price per gallon to pre-purchase your winter usage. Pre-buy propane will be delivered on an "automatic fill" basis through April. Dollar (not gallon) credits will be issued to accounts unable to accept their full pre-buy gallons prior to April 30.
